The application has been amended as follows:

In line 14 of claim 1, "the meal line" has been replaced with --the metal line--

Allowable Subject Matter

2. Claims 1-6 allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the cited prior art of record fails to disclose or suggest a method for forming a metal line of a semiconductor device comprises the step of etching the metal layer to form a metal line pattern and a metal fuse pattern, the metal line remains thinner than the metal line pattern at the space, between the metal line and the metal fuse area, due to an etch loading effect, and the metal line pattern and the metal fuse plug being electrically connected to each other, in combination with the rest of the limitations of claim 1

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
